

We have used Green Owl Dry Carpet Cleaning for the past year and a half and we are very pleased with the decision. We opted for their dry method because we are a busy, high traffic, hotel and sectioning rooms and hallways off while they dry was impractical.

They are professional, thorough and very responsive. In addition, we are a LEED Certified building and are happy to partner with a company that uses a product that can potentially help us garner LEED points.

A handwritten signature in black ink, appearing to read 'Chris Palid', with a long horizontal flourish extending to the right.
